Lisa DuBois was born, raised and works in New York, she has been a photojournalist for 25 years, working for New York newspapers and selling to stock agencies. She also sells fine art limited editions of her work. In January of 2011, her work will be displayed at the Shomburg Museum in New York on the similarities between India and Harlem – New York. Lisa enjoys getting up early to get that great shot as the sun is rising. She is never satisfied with an ordinary photo and always looking for a new angle to get a different perspective on a shot. Her love for the people and the places in India is evident in her photographs.

Her work can be seen @ www.duboisphotoart.com and on facebook
